On the Community Service requirement, you will see an info icon (encircled lower case “i”). Clicking this brings up a report screen that is new this year. The report screen breaks down both the Post’s Quarterly Reports submissions per quarter and the Post’s Community Service Growth (a new All-American Requirement this year)

Note: the Community Service field will be Red until the quarterly reports for the current quarter have been submitted. Once reports for the current quarter are in the system, the field will turn Green and the report screen will show the update for the current quarter.

For Virginia: Community Reports must be submitted on our State website via the Online Reporting page. When at least one report in each report category for the quarter are submitted there, the AAD will update.

Reminders

- Community Service reports are added using the State Online Reporting page. The information input there is used to update the AAD.
- Programs that require report entries to be input/submitted into the AAD are the **responsibility of each Post and District**.
- Day of Service (DoS) participation must be input in the #StillServing page on the National website:
<https://todaysvfw.org/vfw-day-of-service/>
- The date for your DoS **must** occur in the month of May 2027 to qualify for the All-American requirement.
